

CE OPPORTUNITIES FOR NLC EMS SYSTEM PROVIDERS VIA DROPBOX

The following is the DropBox link to some CE opportunities available to member providers. Simply review the lecture/hand out materials, complete the quiz, and then submit your quiz to Dave Chase at dchase@ghcus.com.

<https://www.dropbox.com/home/2023%20NLC%20EMS%20CE%20Folder>

For departments or ambulance services, if you would like to have your providers submit their quizzes directly to you and then submit a roster of names who completed the education, that would also be acceptable (and, actually, preferred).

More materials will be added to this site in the near future. Additionally, Vista Health and AHS will be hiring an instructor to help provide CE. More news to come in that regard!
